YOU WOULD be shocked to know the real "Bible I.Q." of most professing Christians. Not long ago an eye-opening report on the gross ignorance about the Bible in churches today was released to several of the world's leading newspapers. It ought to startle you!

"Some months ago," comments this report, "a Protestant pastor administered a Bible quiz to members of his congregation. The questions were very simple. Anyone with a general knowledge of the Bible *should* have been able to answer all of them easily!

"The results STAGGERED the pastor!" And they will stagger you!

"Only five percent of his flock made a commendable grade on the test. Fifteen percent failed to give a *single* correct answer. Sixty percent were unable to name the four gospels. Seventy-five percent could not identify Calvary as the place where Jesus was crucified.

"Some congregations," continued the report, "might do better than that. But not many. THE VAST MAJORITY of Americans today ARE *BIBLE ILLITERATES!* They simply have never read the book which they profess to regard as the 'Word of God.' A great many people have turned away from the Bible because, when they do try to read it, they find they CANNOT UNDERSTAND IT. . . . To the modern reader, it has a remote and antiquarian flavor. It is likely to leave him with the impression the Bible is an ancient history book that has no real relevance to his life here and now" (Lewis Cassels; *Courier-Times*, Tyler, Texas; April 16, 1961).

This shocking report is not an isolated case! Similar ones frequently come into our News Bureaus. Most people who profess the name of Jesus Christ simply do *not* know what He said!

WHY?

Listen to the answer in Jesus' own words:

"In them is fulfilled the prophecy of Isaiah, which says, by hearing you shall hear, and shall not understand; and seeing you shall see and shall not perceive: For this people's . . . ears are *dull of hearing*, and THEIR EYES they have CLOSED; lest at any time they should . . . understand with their heart, and should be converted, and I should heal them" (Matt. 13:14-15).

This simply is *not* the time most people are being called. Consequently, they just don't understand the words of the Bible! Jesus Christ said so!

But to you who are taking *this* Course, Christ

TEST NUMBER ONE

THIS examination is given to help you *better understand* your Bible and *evaluate* your progress. It is a **SIMPLE TEST** covering your studies in the last four lessons. It's a quick review to help you *remember* and put to *practical USE* the vital knowledge you have learned.

Notice that *four choices* are given under each question. *Only one* is the **CORRECT** answer. The other three are *wrong*. (Generally speaking, the *incorrect* answers are **FALSE** ideas which are taught and believed about the subject.)

SELECT THE ONE RIGHT ANSWER FROM AMONG THESE FOUR CHOICES. Then *circle* the letter of the answer you believe to be correct. The correct answer to the first

question is already circled for you as an example.

The questions are divided into four parts — each part corresponding to one of your last four lessons. Answer as many questions as you can without referring to the lessons. Take sufficient time to understand each question. If you find any difficult questions, do be sure to *refer to the lessons*.

Once you have finished going over the questions and are satisfied with your answers, check your circled selections with the correct answers listed at the bottom of page 16. Then count the number of questions you missed and find your grade in the grading section located on the same page. That's all there is to it. There's **NOTHING** to send back to us.

79. Which *one* of these four statements is *false*?
- A. In the millennial Utopia, it will be extremely difficult for men to learn that God's way is best after all.
 - B. As with all animals, man's own nature will also begin to change in the World Tomorrow.

- C. Men will become peaceful in the soon-coming Utopia.
- D. In the Utopia of tomorrow, there will be no doubt in people's minds that God's Way is best after all!

Now That You've Finished . . .

You are now ready to correct your own test. All you need to do is compare *your answers* with the correct answers listed at the bottom of page 16. After you have done this, simply count the number of questions you missed. Your grade will be next to that number in one of the columns of the grading section located on the same page.

REMEMBER! You are to grade *yourself*. There is absolutely NOTHING to send back to us.

Be sure to KEEP this test and review the questions occasionally. Why? Because reviewing will impress the true answers more firmly upon your mind. And reviewing the false answers will help you realize more clearly some of the *false* ideas which you may have taken for granted. You will thereby grasp and retain the *truth* more readily as it is revealed to you in the Bible through future lessons.

What our STUDENTS SAY

"I sure do hope I will get a good grade on my first test, because this system of studying the Bible has revealed more to me than I have ever learned altogether in my whole life, and I am 62 years old. I have been reading my Bible all my life. I am a former Sunday School teacher in one of the largest adult classes of the second largest church in this town. I sure do wish I could have had access to this material then."

—Student, Oxford, North Carolina

Pleased With Grade

"I was so pleased at the 97% I made on my first test. Am starting today on my fifth lesson. It is really a wonderful Course and I am learning more than I ever did in all the years I have been going to church and Sunday school. Thanks so much for making this Course available to all who want it and need it as I do."

—Mrs. J. B. H., Elm Mott, Texas

From an Educator

"I have thoroughly enjoyed the first four lessons in the Ambassador College Correspondence Course. When my first test arrived in the mail during the latter part of April, I hesitated before I opened it. I had all sorts of notions about the nature of the test. I had taken all kinds of tests during my undergraduate and graduate courses in education, but my feeling about this test was different somehow. I had quite a bit of practice and experience in the field of teaching before I started working on my master's degree and I went about my course work with a reasonable amount of assurance that I knew what I was doing and that I was adequately prepared for the tests that I had to take. I must admit that I had some reservations about this test though.

"When I got home that night I opened the envelope and saw the attractive test booklet. At least the test didn't look bad. Then I began to read some of the questions and much to my surprise, they were easy to answer. Before I had finished for the evening I had answered about half of the questions with a good deal of assurance that most of them had been answered correctly.

"As I sat there at the table reflecting back over the hours of work that I had done in the

evenings after the children had been tucked in bed, I began to realize the value of the 'DISCOVERY METHOD' of teaching that you use in the Course. I began to realize that the persons who write the Correspondence Course lessons really know what they are doing. In our latest developments in education there has been increasing emphasis on the use of the discovery method of learning. Now I realize why the answers to the questions on the test came to me so easily. You had not TOLD me the answers in the lessons, but you had *led* me to DISCOVER them."

—B. C. O., Fork Union, Virginia

Cried Over Lessons

"God bless you for accepting me as a student in your Correspondence Course. I have just completed your first test, and I must say, I did a lot of crying over my first four lessons, because of their dynamic force, and the plainness of the Bible itself. I just couldn't believe it at first, but now I realize the value of knowing God's will by studying His Word."

—Mrs. M. K., Honolulu, Hawaii

Can't Stop Studying

"It is funny in a way; at school I could never start to study, but now on this Course I have a problem stopping because it is so absorbing. This is the reason why I find it no hardship to spend 2 or 3 hours on it some nights, and the reason why I like requesting ahead for the next lesson."

—Man, St. Kilda, Victoria, B. C., Canada

• *We know you're anxious, but please try to be patient while waiting for your next monthly lesson. Meanwhile, you'll find it very profitable to review your previous lessons.*

Convinced It's Free!

"I'll never forget when I first started taking this Course and *The PLAIN TRUTH* in 1960. My husband told me, 'You'll have me charged up with a lot of stuff I won't be able to pay for. You just wait and see!' Most every month for well over a year he'd ask, 'That bill from Mr. Armstrong ever come in yet?' I'd answer, 'No, and it never will.' After almost two years he broke down and said, 'I'll have to admit it—Mr. Armstrong is not after money. He must be a true minister of God.' You see, not even an unbeliever can deny the facts forever!"

—Woman, New Bloomington, Ohio

• *That's right—it never will come!*

Defies Description

"I will not attempt to say anything about the lessons. There are no words I can think of that would describe them except or unless wonderful would be the word."

—Man, Detroit, Michigan

Re-enrolls

"Some years ago I was taking the Correspondence Course and *The PLAIN TRUTH*, and then for one reason or another I discontinued them. I never found the time to keep up with them. Since then I have been discontented with life and my daily problems seem to be magnified in my mind. I can't find a real purpose in life. Would you please send me the Correspondence Course and *The PLAIN TRUTH* again? I will try hard, with the help of God, to keep up with them all. I had so much more peace of mind before when I took the course and studied it."

THE STAFF

(Continued from page 2)

says, "BLESSED ARE YOUR EYES, FOR THEY SEE; and your ears, for they hear. For verily I say unto you, that many prophets and righteous men have desired to see those things which you see, and have not seen them; and to hear those things which you hear, and have not heard them" (Matt. 13:16-17).

The whole world has been deceived. Spiritual blindness has covered all nations! (Isa. 25:7.) God today is beginning to remove this blindness through *The WORLD TOMORROW* broadcast! But only a CHOSEN FEW really heed.

Think of what this means to you! *Meditate* on it for a moment.

Can you REALLY GRASP the tremendous blessing God has GIVEN YOU?

He has put within your reach knowledge the world can't understand—the knowledge which *really counts*. The knowledge of what the FUTURE holds for the world. The vital knowledge necessary for SALVATION. And God has made it *so easy*.

That is the reason you can understand the Bible in a way you *never* could before.

That's the reason the world ignores the truth that the Bible deals far *less* with ancient history than it does with our modern, pulsating, twentieth century SPACE AGE!

We are very happy to say that NONE of the students enrolled in the Ambassador

College Correspondence Course REMAIN "BIBLE ILLITERATES" for long. Even many ordained ministers find—for the *first time*—the TRUTH of the Bible!

Here is what one such minister wrote Mr. Armstrong—*after only four lessons!*

"I would like to express my appreciation and let you know how much I am enjoying the Correspondence Course. I am expecting my first test in the next day or so. I feel like the first grade student who just learned that 'LMNOP' is not a word but five different letters of the alphabet.

"I've been a preacher of one of the larger denominations for almost two years now. All this time I really thought I was *doing God a favor*. I'm AMAZED and SICKENED to see how many of God's eternal truths become 'LMNOP' when studied through denominational eyes. May God have *mercy* on those poor souls I'VE SO WRONGLY INSTRUCTED."

If even ministers find THIS Correspondence Course so revealing, think of what it can mean to you!

Now for a few words about this first test. This test is a SIMPLE EXAMINATION covering the material you studied with the first four lessons. It's an enjoyable and convenient way of *using* the knowledge you have learned from the Bible. (Detailed instructions for taking this test are on page 3.) Many of our students make a grade of 100%. And nearly NINE OUT OF TEN score in the nineties! So you can plainly see it will not be difficult to make a high grade!

Perhaps you haven't taken an examination since your earlier school years. If so, *DON'T WORRY ABOUT IT!* This test is NOT DIFFICULT! It's an easy, *useful one*—just a *review* to help you *remember* and put to *practical USE* the vitally important knowledge you have learned from the Bible.

Remember — God LOOKS ON THE HEART!

God has given you a precious GOLDEN OPPORTUNITY! He wants you to *appreciate* it. MAKE Bible study, the *words* of your Bible, an actual PART of you—a part of your daily way of living. As much a part of YOU as your right hand or your beating heart!

You are now up to Test One in this Course. But this is only the *beginning*. Dozens of important, astounding lessons are coming! We have ONLY BEGUN — only barely scratched the surface — in making plain the truly AMAZING and absolutely ASTOUNDING truths God has hidden in His Word — the Bible! Forthcoming lessons will show exactly what God says *will* happen in the months and years immediately ahead. Hundreds of Bible prophecies are dealt with in minute detail.

Your next lesson will reveal the TRUTH about God's laws for your *personal* financial success. You will learn why so many people today struggle in an endless battle to make ends meet, and why so few ever find real financial security — freedom from money problems.

It will help you to know how to end your financial worries and be assured of the secure financial future only God Almighty can offer.

Other lessons to come will reveal the astounding PROOF of God's existence and the *veracity* of His inspired Word. The amazing, *irrefutable facts* from the Bible itself, from secular history, archaeology and geology — and even the immutable laws of science — are laid out for you step-by-step, and in simple terms, so even a child can understand. We know you will be looking forward to these exciting lessons. So study Lesson Four and then take this test to be ready for your next important lesson when it arrives.

May God *guide* and *bless* you in your CONTINUED study of His Word.
